「 We are seeking artistic talent! 」

If you have a painting, photo, or other visual art that you would like to share we would like to hear from you.

We are looking for 'Creative Expressions' to display on Parkinson Society Canada's thank you and holiday cards.

Many people with Parkinson's have discovered creative talents once diagnosed. They use their creative expressions as a way to convey their experiences and feelings while coping with their disease.

If you have Parkinson's disease and would like a chance to have your artwork displayed on our cards or in the 'Creative Expressions' section of our website please send an email with an attached image of your artwork in .jpg form to general.info@parkinson.ca
